ENHANCED SLA ADD-ON OPTION⁷

Add \$17 per month to the plans monthly access fee.

*Interface speeds refer to the speed of the fibre technology installed at the customer's premises. They are not necessarily equivalent to the download/upload speeds you will achieve in practice. Actual download and upload speeds will be affected by many external factors which include the number of end-users using the service at the same time, the hardware, the software and software configuration, the connection method within the premises and the type/source of content being downloaded.

THE FINE PRINT: NBN and NBN Co, and Powered by the NBN are trademarks of NBN Co Limited and used under licence. **1.** Not available in all areas or to all customers. Only available in premises pre-installed with fibre technology. **2.** All plans are subject to a 24 month agreement. Early termination fees of 50% of the monthly access fee, by months remaining on the agreement will apply. **3.** A valid ABN is required to be eligible for these plans. **4.** Monthly Access Fees and Included Data are subject to a pro rata calculation in your first month of activation. Any unused data expires at the end of each billing period. **5.** Standard Installation is included with your plan and is provided to the first telephone point in your premises. If you're in a newly constructed building and not already connected to the nbn, nbn Co may charge you a once-off New Development charge of \$300 (inc GST). Where the additional work is required to connect your nbn service is more than a standard professional installation, you may be charged an additional fee. In such cases, Commander or nbn Co will provide any additional installation charges with you before the work being completed for you to approve. A 240 volt power supply may be required. In the event of a power outage, your services will not work unless you maintain a back-up battery. If you take up a Fibre to the Business service, you will not be able to move back to a copper service. **6.** No excess data charges - speed will be limited to 2MB in the relevant period where the allowance has been exceeded for the balance of a billing cycle. Data allowance includes uploads and downloads. **7.** Commander Standard Form of Agreement and Acceptable Use Policy applies to our NBN Fibre Broadband services, these along with our Enhanced SLA terms can be found on our website at commander.com.au/customer-terms. **8.** Direct debit is the preferred method of payment. All other payment types incur a \$3.95 non-direct debit surcharge. Credit card surcharges apply. **9.** Total Minimum Cost includes a 4 Port Wi-Fi router, a \$119 setup fee (applicable to NBN 100) and associated shipping and handling fees. **10.** Pricing is inclusive of GST. Pricing and plan features correct as of August 1 2016.
