SAVE \$5 off your 24-month CorePlus Mobile plan each month when you **BUNDLE** with an eligible Business Phone plan.

THE FINE PRINT: This product sheet is a sales tool only, please see the Critical Information Summary for further detail. Commander's Standard Form of Agreement applies, available at commander.com.au/legal. **Network:** Service delivered via Optus 4G & 3G network, 4G & 3G coverage not available all areas. See commander.com.au/mobiles/mobile-coverage. Monthly Access Fee: Monthly access fees and inclusions (e.g. mobile data) are subject to pro-rata calculation for part billing periods. **Maximum Services:** Max. of 10 CorePlus mobile services per account applies. **Minimum Term:** 24 Months. Early Termination Fees apply and are equal to the Monthly Access Fee x 50% x months remaining in the contract at the time of cancellation. **Discounts:** Bundle Discounts apply when a 24-month CorePlus mobile plan is bundled with an eligible Business Phone plan on the same account. **Calls & Text:** Your plan includes Unlimited calls to Australian fixed lines, mobiles, 13/1300/1800 calls, Voicemail deposits/retrievals and Call Forward and Unlimited SMS/MMS to Australian and International numbers. **Mobile Data:** Included data and Bolt On data are shared across CorePlus mobiles on the same account. You must contact us if you do not want data to be shared between mobiles (results in a separate billing account). **Excess data:** If you use all included or Bolt On data, your account will be auto topped up with 1GB, charged \$10/1GB. There is no limit on the number of auto top ups, check your usage at takecommand.com.au. Unused top up data expires each month and is not refundable or transferable. ***Bonus 300 Int'l Mins:** Includes calls to 58 selected countries only. See commander.com.au/mobiles/mobile-plans. **Inclusions:** All call and data inclusions are for use within Australia only and expire after each billing period. Commander's Acceptable Use Policy applies to all inclusions. **Excluded usage:** Any usage type not listed as included (e.g. Int. calls, overseas mobile data) are charged in 1 minute increments at applicable rates available from our website. International Roaming barred on activation. Pricing correct as of 11th April 2016.
